Dr. Elva A. Wright
6340 Brompton Road
Houston, Texas

Dear Doctor Wright:

I am pleased to hand you herewith the wording for a paragraph in your will that I believe will accomplish the purpose you have in mind in making a gift to the Texas Medical Center.

The wording has been adopted from the suggestion prepared by our attorneys for use by any person wishing to make a gift to the Center with the addition however, of the special provisions to accomplish the purpose you have in mind.

If this does not suit you or you wish to talk it over further please feel free to call me as I will be very happy to help you in any way I can.

Sincerely,

Assistant to the President

B:s
Enclosure

Suggestion for the will of
Dr. Elva A. Wright

"I give, and bequeath to Texas Medical Center, Inc.,
a Texas corporation, the sum of Five Thousand Dollars
(\$5,000.00). Said gift shall be used and applied by
Texas Medical Center, Inc., within the State of Texas,
to further special medical study in the subject of
tuberculosis. I leave to the discretion of the Texas
Medical Center, Inc., Board of Trustees how the income
from said gift shall be used, ^{desire that} but it is my hope that it
^{it} can be used to assist students and doctors specializing
in the study of tuberculosis."

DR. ELVA A. WRIGHT

Salute of Honor To Be Given To Dr. Elva Wright

Program Will Pay Tribute to Antituberculosis League Founder.

Dr. Elva A. Wright, for many years president of the Houston Antituberculosis League, will be honored at a public meeting at the Baylor University College of Medicine Auditorium at 8 p.m. Wednesday.

Mayor Oscar Holcombe will participate in the "Salute of Honor" program, as well as members of the City Tuberculosis Hospital, the Harris County Medical Society and the Texas Medical Center.

High light of the program will be the presentation of a portrait of Doctor Wright, which will be accepted by Mayor Holcombe for the city's new Tuberculosis Hospital, construction of which is to start this year, according to a recent announcement by the mayor.

Scholarship Provided

Announcement of a scholarship fund, which has been provided for in Doctor Wright's will for the purpose of postgraduate study in tuberculosis, will be made to the Texas Medical Center by Doctor Wright. The presentation will be made to Dr. E. W. Bertner, president of the center.

Dr. Richard H. Overholt, internationally known thoracic surgeon of Boston, will deliver an address on "Surgery's Place in Treatment of Pulmonary Tuberculosis."

Coming to Houston in 1910, Doctor Wright has been practicing medicine here for the past 38 years.

Organized League

She organized the Houston Antituberculosis League November 1911, at a meeting in the old Rusk settlement house.

While attending Northwestern University in Chicago, as a member of the Lake County Tuberculosis Association of Illinois, Doctor Wright became interested in the treatment of tuberculosis.

She later studied in clinics in London, Edinburgh, Scotland, and Vienna.

"The first Christmas Seal campaign here in 1913, netted a total of \$500, which helped pay the cost of one nurse," Doctor Wright said, in looking back over the years.

The next year's sale was doubled, and the returns steadily mounted until the campaign this year is expected to reach a goal of \$110,000.

Dr. Elva A. Wright To Be Honored at Program

The public health committee of the Houston Chamber of Commerce will join with other medical and health groups to honor Dr. Elva A. Wright, a long-time member of the committee, at a program January 18 in the auditorium of Baylor University College of Medicine.

Dr. John Roberts Phillips, chairman of the program committee for the "Salute of Honor" to Doctor Wright, invited the cooperation of the Chamber group in the event. Dr. Denton Kerr, president of the Harris County Medical Society, will be chairman of the meeting, and Dr. Richard Overholt will be principal speaker. Doctor Wright will be introduced by Judge R. H. Spencer. A picture of Doctor Wright will be presented to the Tuberculosis Hospital, and a scholarship fund for post-graduate work in tuberculosis will be presented by Doctor Wright. Mayor Oscar Holcombe will accept the picture, and Dr. E. W. Bertner will accept the scholarship fund.

Tribute to Dr. Wright

A GENTLE and gracious lady whose life has been one of devotion to the cause of afflicted humanity will be honored at a public meeting to be held in the auditorium of the Baylor college of medicine Tuesday evening at 8 o'clock.

Nearly 38 years ago, in November, 1911, Dr. Elva A. Wright, who had come to Houston the year before, organized the Houston Anti-Tuberculosis league. She had previously become interested in tuberculars as an active member of the Lake County Tuberculosis association in Illinois while attending Northwestern university.

In 1913, the first Christmas seal sale to be held here netted just \$500. This year the sale is expected to reach a total of \$110,000. Thanks largely to Doctor Wright's enthusiasm, the passing years have shown a steady increase in the facilities for the treatment of tubercular patients, and in a short while, Mayor Oscar Holcombe has announced, Houston will have a splendid new tuberculosis hospital.

One may safely say that hundreds, possibly thousands of lives have been saved in Harris county as a direct result of activities inspired by Doctor Wright.

The "salute of honor" Tuesday evening will constitute a tribute to a truly great woman from her colleagues in the medical profession.

Dr. Wright Paid Tribute On TB Fight

A tiny, white-haired lady listened two hours Tuesday night as seven men praised her pioneer work in battling tuberculosis.

THEN SHE presented a portrait of herself to hang in the proposed tuberculosis hospital in the Texas Medical center, and started a scholarship fund for post-graduate study in tuberculosis.

She is Dr. Elva A. Wright, who has been fighting tuberculosis in Houston and in Harris county since 1910.

SHE HAS BEEN the only president of the Houston Anti-Tuberculosis league, which she founded in 1911, and is past president of the Texas Tuberculosis association.

And she is consultant emerita of the city-county tuberculosis hospital.

The tribute to Doctor Wright was held in the auditorium of the Baylor university college of medicine.

DR. DENTON KERR, president of the Harris County Medical society, said:

"She has fought against all odds and kept going. We will not give up the fight she started. And when the fight is ended, above it all will be the name of Elva Wright."

Dr. Richard H. Overholt, Boston tuberculosis surgeon and the principal speaker Tuesday night said:

"SHE HAS DONE a great work in organizing all groups of society in this fight."

DR. ELVA A. WRIGHT
Tribute to a Fighter

R. H. Spencer, who introduced Doctor Wright, said:

"Through her great work and the credit is mostly hers, the tuberculosis death rate here has dropped more than 50 per cent."

Mayor Oscar Holcombe, who accepted the portrait of Doctor Wright for the city, said:

"The major credit for the largest tuberculosis hospital in the country, to be built here in the medical center, should go to Doctor Wright."

"In a manner, she will be the patron saint of the hospital."

Dr. E. W. Bertner, president of the medical center, who accepted the scholarship, said:

"The fight against disease is never-ending. Doctor Wright respects this fight and wants it to go on."

Then Doctor Wright spoke. "You give me credit. But this program (tuberculosis) is the work of thousands."

Doctor Bertner announced that two checks had been received to add to the Elva A. Wright scholarship fund.

Dr. Elva A. Wright To Be Honored For Fight Against TB

A "salute of honor" will be given Dr. Elva A. Wright, leader here in the fight against tuberculosis, at a public meeting 7:30 p.m. Tuesday in the auditorium of Baylor University college of medicine.

Among those who will gather to honor Doctor Wright, who has been president of the Houston Antituberculosis League for many years, will be Mayor Oscar Holcombe, as well as members of the City Tuberculosis Hospital, the Harris County Medical Society, and the Texas Medical Center.

Dr. Wright Plans Scholarship For Research on TB

Project Announced
at Dinner Honoring
Health Work Leader.

Dr. Elva A. Wright, founder and president of the Houston Antituberculosis League, Tuesday night announced plans to project her pioneer work in tuberculosis prevention and control into the future through establishment of a scholarship for research.

Doctor Wright, who began her long battle to save the lives of Harris County tubercular patients in 1911, was honored by members of the medical profession at a meeting in the auditorium of the Baylor University College of Medicine.

Mayor Oscar Holcombe praised Doctor Wright's work which will reach a climax in the new city tuberculosis hospital to be built in the Texas Medical Center. He accepted an oil portrait of her to be hung in the new building.

Dr. Denton Kerr, president of the Harris County Medical Society, reviewed Doctor Wright's pioneer work in this area and commented that she "carried on at times when it seemed that she was the only one in the fight."

Doctor Wright herself, in a voice trembling with emotion, said:

"We build cathedrals, yet we permit men, women and children to die of tuberculosis because we have no facilities to care for them."

"We need area hospitals where patients may be treated without regard for political boundaries of counties and cities."

"We must not let people die because of our ignorance."

In accepting the postgraduate scholarship, which is provided in the new building, Doctor Wright will leave tuberculosis.

FOR THE TUBER

Dr. Elva A. Wright, pioneer crusader against tuberculosis in Harris County, Tuesday night presented her oil portrait to Mayor Oscar Holcombe. The portrait, painted by Miss Jane Nordin, was given to the city at ceremonies honoring Doctor Wright in the auditorium of the Baylor University College of Medicine.

ERCULOSIS HOSPITAL, to be built in the Texas Medical Center, Tuesday night presented her oil portrait to Mayor Oscar Holcombe. The portrait, painted by Miss Jane Nordin, was given to the city at ceremonies honoring Doctor Wright in the auditorium of the Baylor University College of Medicine.

TB FELLOWSHIP—Dr. Elva A. Wright, left, receives the appreciation of Dr. Denton Kerr, president of the Harris County Medical society, for her gift of a tuberculosis graduate fellowship fund to the Texas Medical center.

Dr. W. Bertner, president of the Texas Medical Center, said: "Doctor Wright's generosity is an inspiration to others who may wish to aid the victims of tuberculosis and curb the extension of this disease."

"This scholarship will become the nucleus of a valuable scholarship fund, in which 100 per cent of every donor's gift will be used for the purpose given."

Doctor Bertner announced that two other gifts—from the Houston Save-a-Life League, and from Mr. and Mrs. Lloyd Jacoby—have been presented to the medical center as a result of Doctor Wright's plan.

R. H. Spencer, former county judge, reviewed Doctor Wright's work in and around Houston, and added that since she began her life work here, the death rate from tuberculosis has decreased by more than 50 per cent.

Dr. Richard H. Overholt, Boston thoracic surgeon, described new methods of surgery as a means of treating advanced cases of tuberculosis.

Marion R. Lawler, M. D.

Mercedes, Texas

Sunday Afternoon

Dr. John Robert Phillips
Houston, Texas.

Dear John Robert:-

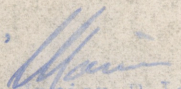

Last night when I left the hospital I had a group of sick patients. This morning I found everyone well. I think I will fly up Tuesday afternoon and stay over until train time Wednesday night. Tuesday the 18th is John's birthday and I have written him to have dinner with me Tuesday night down town.

It is extremely thoughtful of you to let me know about these outstanding opportunities for learning about the newest in medicine. I have just completed the reading of the last number of the Clinics of North America which is devoted to the Surgery of Tuberculosis and the use of Streptomycin. It must be thrilling to the Surgeon to realize that every case of Tuberculosis is potentially at some time a candidate for thoracoplasty, decortication, lobectomy, pneumonectomy, a segmental procedure or combination of two or more of these. I will be happy now to hear Dr. Overholt and I know he must be good because of his reputation, his being from Boston, and because you are introducing him.

Coulter was to have been down at the house this afternoon but at the last minute had some out of town patients to keep him in McAllen. I talked to him at length coming back on the train in December. I believe that he will co-operate in some work down here.

I trust that all of you are well at this time.

Sincerely,

Marion R. Lawler,

January 6, 1949

Mr. Murray Kornfeld
Executive Secretary
American College of Chest Physicians
500 N. Dearborn St.
Chicago 10, Ill.

Dear Murray:

I am so sorry that you cannot be with us on the 18th and 19th of January.

Thanks for your kind letter and we will certainly be looking forward to seeing you in Mexico City.

Dan joins me in sending best wishes.

Yours sincerely,

John Roberts Phillips, M. D.

JRP:m

January 3, 1949

Doctor Denton Kerr
308 Medical Arts Bldg.
Houston, Texas

Dear Doctor Kerr:

Enclosed is a program of the "Salute of Honor to Doctor Elva A. Wright". We are certainly happy that you are acting as Chairman.

As you know, Doctor Richard Overholt will also appear before the Medical Section, Harris County Medical Society in a Phi Chi lecture here on Wednesday, January 19, 1949 at 8:00 P. M. at the Baylor University of Medicine and you are to sit as a guest at the head table at the Kiwanis luncheon at 12:05 noon Wednesday, January 19, 1949.

With best wishes for the New Year

Yours sincerely,

John Roberts Phillips, M. D.
Chairman - Program Committee

January 8, 1949

Doctor L. W. Kirkland,
Director
Texas Tuberculosis Asso.
310 N. Washington
Beeville, Texas.

Dear Doctor Kirkland:

Enclosed is a program of the "Salute of Honor to Doctor Elva A. Wright". In addition, Doctor Richard Overholt, Boston, Mass. will hold a conference at the Tuberculosis Hospital Wednesday morning, January 19, 1949 at 8:00.

On that evening he will talk before the Harris County Medical Society on "Cancer of the Lung". I hope you will be able to come over for these meetings.

With all good wishes for the coming year

Yours sincerely,

John Roberts Phillips, M. D.
George Hodell, M. D.
Chairman, Program Committee

JRP:m

January 3, 1949

Miss Sue Barnett
Assistant to President
Texas Medical Center
Houston, Texas.

Dear Sue:

Enclosed is a program which we have worked up as a Salute of Honor to Doctor Elva A. Wright. I would appreciate it if you would let all of the members of the Texas Medical Center know about this program so that they can be present for this Salute. We feel like they will all want to come since she is making this donation.

If there is anything in which I can help further in this, please let me know.

I have read over the suggestion for the will and in discussing it with her yesterday and in the last sentence she would like a change be made to read "it is my desire that it be used to assist students, doctors specializing in the study of tuberculosis".

Thank you for helping us with this and with all good wishes for the new year, I am

Yours sincerely,

John Roberts Phillips, M.D.

Doctor R. Lee Clark, Jr.
2310 Baldwin St.
Houston, Texas

Dear Doctor Clark:

Enclosed is a program of the "Salute of Honor to Doctor Elva A. Wright". Our Guest Speaker is Doctor Richard Overholt of Boston. The following evening he will talk before the Harris County Medical Society on "Cancer of the Lung", this being a Phi Chi Lectureship. Will you be so kind as to inform your associates, residents and etc. of these meetings so that they will have an opportunity of attending. They are all invited.

Doctor Overholt is going to talk before the Kiwanis Club at 12:05 Wednesday, January 19, 1949 at a luncheon and I would like to have you as our guest to sit at the head table.

I was up at the Clinic just recently and Brodie talked about you a great deal. We all think that you are doing wonderful work and I want to take this opportunity of congratulating you on the wonderful Journal that you are getting out.

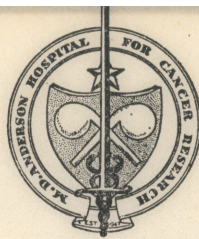

With all good wishes for the coming year

Yours sincerely,

John Roberts Phillips, M. D.
Chairman, Program Committee

Miss Sue Boles
Box 2176
Houston, Texas

Dear Miss Boles:

Doctor Richard H. Overholt of Boston, Mass. is the Guest Speaker for Wednesday at noon, 1-19-49 and will have as his subject "Chest Surgeon". He will need a standard lantern projector and screen for this talk. I believe that we can make the room pretty dark.

I have been appointed Chairman of Committee to arrange for a Salute of Honor Program for Doctor Elva A. Wright. This program will be held January 18, 1949 at 8:00 P.M. at Baylor University of Medicine. The Guest Speaker will be Doctor Richard H. Overholt on "Surgery's Place in the Treatment of Pulmonary Tuberculosis. Doctor Wright has many friends in the Kiwanis Club and I am sure that this notation will enable many to be aware of this meeting so that they can attend. The following evening, January 19, 1949, Doctor Overholt will talk before the Harris County Medical Society, giving a Phi Chi Benefit Lecture on "Cancer of the Lung" at 8:00 P.M. at the Baylor University. I will contact you later on in the week, regarding the number that will be at the guest table.

Sincerely yours,

John Roberts Phillips, M. D.

Houston, Texas

Dear Doctor Phillips:

In accordance with your letter of January 3rd I have extended invitations to the Faculty and students to attend the special functions, "A Salute of Honor to Dr. Elva A. Wright" and the Phi Chi Lecture by Dr. Overholt, Tuesday and Wednesday evenings at 8:00 o'clock, January 18th and January 19th, in the Auditorium of the Medical College.

Thank you for the invitation to be the guest of the Kiwanis Club at Luncheon Wednesday, January 19th, at 12:15 P.M. I will be there unless something unforeseen prevents me from doing so.

Sincerely yours,

W. H. Mouroung

Dean.

January 14, 1949

Miss Pansy Nichols
Executive Secretary
Texas Tuberculosis Association
208 E. 9th St.
Austin, Texas

Dear Miss Nichols:

Mrs. Phillips and I would like for you to come to buffet supper honoring Doctor Elza A. Wright and Doctor Richard Overholt at our home before the Salute of Honor. Supper will be at 5:30.

The following morning Doctor Overholt is holding surgical conference at the Tuberculosis Hospital at 7:30. We want you to attend all of these functions. Miss Renis has stated that she will bring you to our house.

We will be looking forward to seeing you

Yours sincerely,

John Roberts Phillips, M. D.
Chairman, Program Committee

Mr. A. S. Reaves,
Superintendent
Jefferson Davis Hospital
Houston, Texas.

*Jefferson
Davis
Hosp*

Dear Mr. Reaves:

Enclosed is a program of the "Salute of
Honor to Doctor Elva A. Wright".

We hope that you and your Wife will be
present for this meeting and I will appreciate it if you
will inform the Interne Staff and Resident Staff and others
in this field to be present. They are all invited.

Enclosed are a few extra copies of the
program and we will appreciate it if you will have your
Secretary mail these around to the members of the Board,
so that they can have an opportunity to come. Doctor
Richard Overholt is an International figure and will give
a good clinical talk. In addition, the benefits that we
are deriving are great from Doctor Wright's past work and
the things which she is doing at this time.

With all good wishes for the coming year.

Yours sincerely,

John Roberts Phillips, M. D.

Doctor Paul R. Stalnaker
4715 Fannin St.
Houston, Texas

Dear Doctor Stalnaker:

Enclosed is a program of the "Salute of Honor to Doctor Elva A. Wright". You and Mrs. Stalnaker and your friends be sure to come to this meeting. The following evening Doctor Richard Overholt gives a Phi Chi Lectureship at the Baylor University Auditorium at 8:00 P.M. on "Cancer of the Lung".

As I have told you, at 12:05 on Wednesday noon, January 19, 1949, he will talk before the Kiwanis Club and I would like for you to be our guest and sit at the head table.

With all good wishes to you and yours for the coming year and thanking you for the many past kindnesses,

Yours sincerely,

John Roberts Phillips, M. D.
Chairman, Program Committee

January 3, 1949

Mr. H. R. Cullen
City National Bank Bldg.
Houston, Texas

Dear Mr. Cullen:

We are giving a Salute of Honor to
Doctor Elva A. Wright for her many years of service
and have arranged the following program which is enclosed.

We have as a Guest Speaker, Doctor Richard
Overholt who will give a talk on "Surgery's Place in the
Treatment of Tuberculosis".

You have been so interested in this field
that I know that you and Mrs. Cullen will want to come and
we certainly hope that you will attend.

In addition, the following evening of
January 19, 1949 at the Baylor University of Medicine
Auditorium at 8:00 P.M. Doctor Overholt is going to give
one of the Phi Chi Lectureship and his title will be
"Cancer of the Lung". You have been so kind to both of
these projects that we want to invite you to be present.

With all good wishes for the coming year

Sincerely yours,

Houston, 2 Texas

Dear Dr. Phillips:

This is a belated acknowledgement of your letter of January 4, 1949 regarding the lecture by Dr. Richard Overholt in Houston honoring Dr. Alva A. Wright. I regret the delay in answering your letter but my absence from the City and the pressure of circumstances, including the partial return of my illness of the Summer has thrown me behind in my mail schedule.

We were able to publicize Dr. Overholts' appearance in Houston to some degree particularly through the fraternity. I do hope that things were entirely satisfactory and that your audiences for the lectures were everything that you wished them to be.

Please let us know in the future if the Phi Chi lectureship schedule will be maintained later in the Spring. We are looking forward to having another of these splendid opportunities to have outstanding speakers come to Galveston to be with us here at the Medical School and particularly to meet with the members of our local Phi Chi chapter.

Please let us know if we can be of further assistance at any time.

Sincerely yours,

D. Bailey Calvin

Dear Mr. Gamill:

Enclosed is a program of the "Salute of Honor to Doctor Elva A. Wright", on January 18, 1949. The following evening, January 19, 1949, Doctor Overholt will talk at the same time and place on "Cancer of the Lung", this being a Phi Chi Lectureship. We would like for your wife and you to attend. Please inform others interested in these fields.

Mrs. Phillips joins me in wishing you and yours the best new year ever.

Yours sincerely

John Roberts Phillips, M.D.

JRP:m

January 5, 1949

Mr. Sam Johnson,
Room 212
City Hall
Houston, Texas.

Dear Mr. Johnson:

Enclosed is a program of the "Salute of Honor to Doctor Elva A. Wright". This program has come about in the following way-

Several years ago, Miss Mae Aldrich, Superintendent of the Tuberculosis Hospital asked Doctor Wright if she would have a portrait painted to hang in the hospital. Doctor Wright, in her little modest way, never did get this done until Miss Aldrich talked to several members of the Staff about it and felt that she should do this, and after some other members on the staff made pressure upon it, she finally did have the lovely portrait painted and showed it to some of the members, whereupon, the members felt like we should pay a tribute of honor to her and work out a program. Doctor H.T.Barkle, President of the Staff appointed a committee to go ahead with the working up of the program and after consulting with Judge R.H.Spencer, Chairman of the Board, who thought it was a splendid idea, and urged that this be done, consequently the enclosed program has been arranged.

In addition, Doctor Wright has another presentation to make. She has set aside in her will a fund for Post Graduate study in tuberculosis. It was felt that this should be announced, and although she was a little hesitant to do it, we felt that many other people would be anxious to contribute to this fund so that it would grow or that someone may want to start another fund. This presentation will be given to the Texas Medical Center it was discussed with Doctor E.W.Bertner, it's President and the method in which it is to be used is so stipulated and so worded that there can be no mistake about the management of it even in the next twenty or twenty-five years.

The portrait, of course, will be hung in the new Tuberculosis Hospital upon its completion, which project starts this year, ~~being~~ according to the Mayor's announcement just before Christmas at the Tuberculosis Hospital.

It is interesting to see how these things do go over. Following an announcement before one of the Women's Clubs in the last few days, they voted one hundred dollars to be added to this fund.

We felt that a man of national and international recognition in the field of tuberculosis and chest diseases should be selected to give the clinical part of the program, consequently Doctor Richard H. Overholt of Boston, Mass. was selected to do this. He is President of the American College of Chest Physicians and the title of his lecture will be "Surgery's Place in the Treatment of Pulmonary Tuberculosis".

Trusting that this is the information which you desire and with all good wishes for the coming year, I am

Yours sincerely

John Roberts Phillips M.D.
Chairman, Program Committee

JRP:m

SPECIAL NOTICE

To the members of the Medical Staff,
Houston Tuberculosis Hospital:

The regular Clinical Conference of Tuesday morning, January 18, 1949, has been postponed until Wednesday morning, January 19, 1949, in order that Dr. Richard Overholt, President, American College of Chest Physicians, can meet with us.

Breakfast will be served at 7:30.

Please try to be with us.

Please note also that a program - "A Salute of Honor" - has been prepared in honor of Dr. Elva A. Wright, to be held at Baylor University at 8:00 P.M. on January 18th. Dr. Overholt, the guest speaker, will talk on "Surgery's Place in the Treatment of Pulmonary Tuberculosis." It is hoped that you, your wives, and friends will attend this meeting.

January 6, 1949

Mrs. Carlos R. Hamilton,
President
Harris County Medical Society Women's Auxiliary
3615 Del Monte Drive
Houston, Texas

Dear Mrs. Hamilton:

You are invited to a "Salute of Honor to Doctor Elva A. Wright" to be held on January 18, 1949 at the Baylor School of Medicine, Houston, Texas 8:00P.M.

A lovely portrait of Doctor Wright will be presented to the Houston Tuberculosis Hospital and notice of a scholarship fund for Post Graduate study in Tuberculosis, which Doctor Wright is bequeathing will be made.

Doctor Richard Overholt of Brookline, Mass. will be the guest speaker of the evening. Doctor Overholt's topic will be "Surgery's Place in the Treatment of Pulmonary Tuberculosis".

On the following evening, January 19, 1949 at 8:00 P.M. at the Baylor University Auditorium Doctor Overholt will talk on "Cancer of the Lungs". This will be a Phi Chi Lecture and we hope that you will be able to attend. Please announce these meetings to others who may be interested in this field so that they may attend also.

With best wishes for the coming year

Yours sincerely,

John Roberts Phillips, M.D.
Chairman, Program Committee

Doctor Wilson Albert Harrison
University of Texas School of Medicine
Galveston, Texas

Dear Doctor Harrison:

Doctor Richard Overholt of Boston, Mass.
is going to be in Houston on January 18, 1949 to give
a Salute of Honor to Doctor Elva A. Wright. At 7:30
the following morning, the 19th, at the Tuberculosis
Hospital he is going to hold a surgical conference and on
the evening of the 19th, at 8:00 he will talk on "Cancer of
the Lungs" at the Baylor University Auditorium. This will
be a Phi Chi lecture.

You are invited to attend and I hope that
other members of your Faculty and Student Body will be able
to come up.

With all good wishes

Yours sincerely

John Roberts Phillips, M.D.

UNITED GAS BLDG.
CAPITOL 7618
HOUSTON, TEXAS

January 11, 1949

Mr. Sam Johnson
City Hall
Houston, Texas

Dear Sir:

Dr. John Roberts Phillips requested me to give you a few pointers on the early history of the Texas Tuberculosis Association and the remarkable work done by Dr. Elva A. Wright in its incipency, and throughout the years.

The association was organized by 60 delegates from Texas on the train en route to the International Congress on Tuberculosis in Washington in September, 1908. I was elected President and Dr. Louis Bibb, Secretary. For two years, we made an earnest effort to sell the Christmas seals from the State Health office in Austin, which was not very lucrative until local associations were organized.

Dr. Wright organized the Harris County Association November 11, 1911, one of the first in the State to handle the Seal sales, and her appeal to the press and the public was so successful that she has held the office of President ever since.

She was elected President Emeritus of the State Tuberculosis Association at the Houston meeting in 1946 because of her outstanding work, not only in the Christmas Seal sales, but of having established an X-Ray mobile micro-film unit under Dr. R. Alec Brown's direction, with a corps of nurses with adequate training in tuberculosis, which resulted in examining over 100,000 individuals in the past three years. In one industry 3,000 persons being examined in three days. At Jeff Davis Hospital, 6,000 chests were X-Rayed with the 14 x 17 film, at the association's request, and reports made to some 235 doctors for further study.

Mr. Johnson, I hope you can also give us something definite about the two million dollar tuberculosis hospital that our Mayor told me recently of being in the offing.

Yours sincerely,

Dr. W. M. Brumby

Dr. George Hodell
Chairmen, Program Committee
407 Medical Arts Bldg.
Houston 2, Texas

Gentlemen:

Your letter of January 8, 1949, addressed to Mr. Warren S. Bellows regarding the "Salute of Honor to Doctor Elva A. Wright", has been referred to me.

The program which is planned honoring Doctor Wright is, in my estimation, a fine gesture of appreciation for her years of outstanding service.

The Chamber's weekly publication, ACTION, carried a story on the Salute to Doctor Wright in the issue of January 8th. This publication is distributed throughout the membership of the Chamber of Commerce.

I am enclosing a copy of the issue of ACTION in which the story appeared and I trust that it will meet with your approval.

With every best wish believe me to be

Cordially yours,

Executive Vice President

WNBlanton:gg

Dr. Elva A. Wright To Be Honored at Program

The public health committee of the Houston Chamber of Commerce will join with other medical and health groups to honor Dr. Elva A. Wright, a long-time member of the committee, at a program January 18 in the auditorium of Baylor University College of Medicine.

Dr. John Roberts Phillips, chairman of the program committee for the "Salute of Honor" to Doctor Wright, invited the cooperation of the Chamber group in the event. Dr. Denton Kerr, president of the Harris County Medical Society, will be chairman of the meeting, and Dr. Richard Overholt will be principal speaker. Doctor Wright will be introduced by Judge R. H. Spencer. A picture of Doctor Wright will be presented to the Tuberculosis Hospital, and a scholarship fund for post-graduate work in tuberculosis will be presented by Doctor Wright. Mayor Oscar Holcombe will accept the picture, and Dr. E. W. Bertner will accept the scholarship fund.

SUBJECT: "MECHANICS OF SURGERY AND GOOD HEALTH"

CHAIRMAN: DR. JOHN ROBERTS PHILLIPS

MUSIC: MISS ANGELA ZAMMITTI - OF SUEZ, EGYPT, WILL GIVE SOPRANO SOLOS,
ACCOMPANIED BY CURTIS M. SMITH

RECEPTION AND FELLOWSHIP COMMITTEE: IRA C. JENKINS, CAPTAIN; A. E. RIEDEL, CO-CAPTAIN;
ROBERT F. STRANGE, JOHN L. LEWIS, LEE M. WEBB, ROY P. ETCHISON, RAYMOND W. BALDWIN.

CLUB OBSERVANCE OF 34TH ANNIVERSARY OF KIWANIS INTERNATIONAL: Wednesday at our Lunch-
eon, CLYDE J. VERHEYDEN, Chairman of our Kiwanis Education Committee, will direct our
attention to this observance, giving a brief outline of the purposes of it.

INTER-CLUB RELATIONS MEETING WITH GREATER NORTH HOUSTON, JANUARY 20: Still with
Kiwanis International's 34th Anniversary in mind, our Inter-Club Relations Committee
is sponsoring a meeting with the Kiwanis Club of Greater North Houston next Thursday,
January 20th, 12:15 Noon at the St. Marks Methodist Church, 600 Pecore Street. CLYDE
J. VERHEYDEN will be the principal speaker for this program and his address will be
in connection with the Observance of Kiwanis International's Anniversary. All members
of the Inter-Club Relations Committee are urged to attend, but every member of our
Club is given a hearty invitation to attend by our Inter-Club group and the Kiwanis
Club of Greater North Houston. Lets back our Inter-Club Relations Committee up with
a large representation from our Club and also give Speaker VERHEYDEN the "moral" sup-
port he so richly deserves! Your presence will be appreciated.

P E R S O N A L S: O. H. CARLISLE, Chairman of the Board of Trustees of the Shrine
Crippled Children's Clinic made the announcement that plans are for a 277 bed institu-
tion to be built in the Texas Medical Center....L. I. KEMP, a veteran member of the
Chamber of Commerce Highway group will prepare a Resolution to John S. Redditt, who
resigned as Chairman of the State Highway Commission, January 1, 1949 - for his out-
standing services to the State Highway Department.....We regret to learn of the pass-
ing of FRANK M. FANNIN'S grandmother...Her funeral service were held last Wednesday
in Marlin, Texas. She was 101 years of age at her passing and one of the oldest
white residents known in that part of the country...The WALTER MOORES are anticipating
an interesting two-week business-pleasure trip to New York City. They left Saturday.
We shall miss "100%-er" WALTER at our next two meetings, but we wish them "bon voyage".
The following Kiwanians will serve with the Sam Houston Area Council- some on the
Executive Board, of the Boy Scouts of America: DR. HERBERT L. ALEXANDER, L. H. ALLEN,
JOHN C. ARCHER, CLAUD B. BARRETT, C. N. (JOE) BROOKS, DUNBAR N. CHAMBERS, ERNEST

Jan-13-49-

Dr. J. R. Phillips-

Dear Dr. Phillips:

you

regard to your letter of
Jan 8th - We do not have
the information asked
for, that is - the amount

of our gift to the Dr.
Wright fund. The
board of the Woman's
Forum will meet early
in Feb- and will act
on this matter at that
time. We do not have
a great deal of money

but wish to honor Mr.
Wright, so we will
do the best we can -
Some of us will be
on hand Tuesday
night
Sincerely
Maye Suther
(over)

Mrs. Sidney A. Suther

Mrs. Paul R. Stalnaker

January 13, 1949

John Roberts Phillips, M.D.
407 Medical Arts Building,
Houston 2, Texas

Dear Doctor Phillips:

Thank you very much for your recent letter and the enclosed program. It is with genuine regret that I find it impossible to be present at this well deserved testimonial meeting for Doctor Wright.

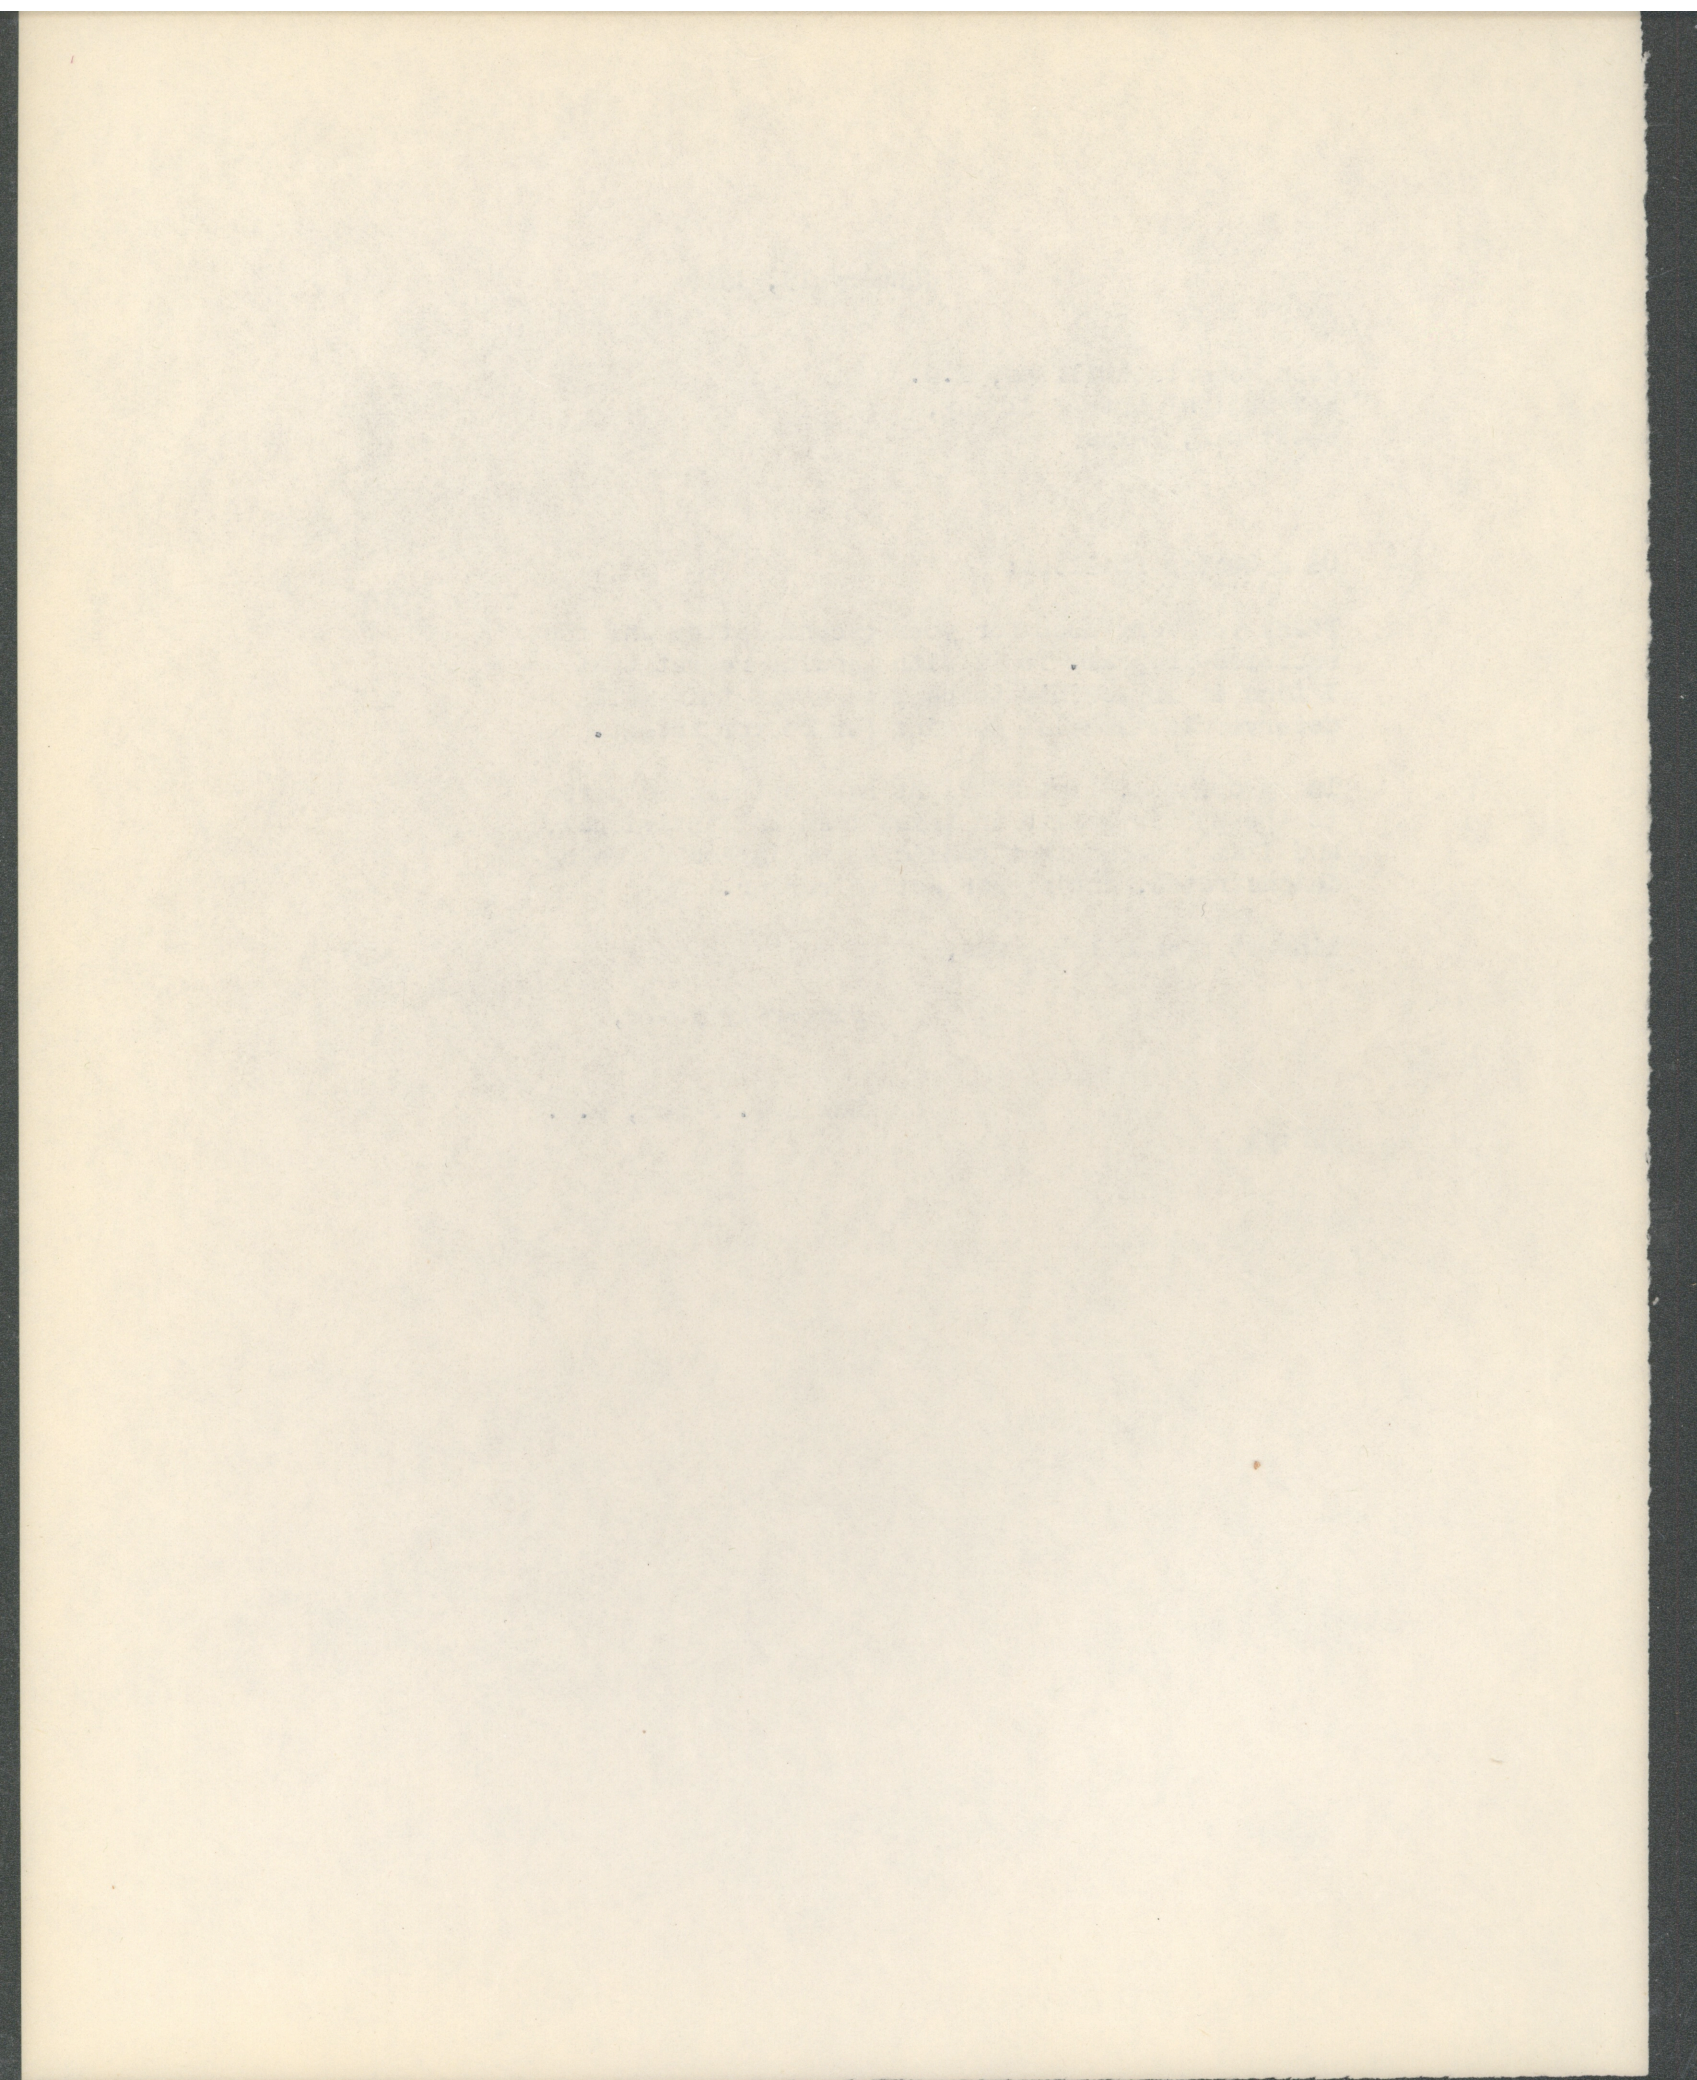

In my opinion, Doctor Wright has contributed more to the public health in Texas than any individual, and I am pleased that public appreciation is being demonstrated, during her active career.

Kindest personal regards,

Sincerely yours,

Edwin G. Faber, M.D.

My dear Doctor Phillips:

I trust that you got my message of regret at my inability to be present at the Kiwanis Club luncheon on January 19, 1949. Unfortunately for my plans I had out of city guests arrive whom I could not leave. The early afternoon was occupied by the regular monthly meeting of our Executive Committee and two of my directors arrived to consult important matters concerning our program before the Executive Committee meeting convened.

It was quite a disappointment to me not to be able to meet Doctor Overholt and to join in honoring Doctor Wright. I hope that you will excuse me and will not forget me if another similar occasion presents itself.

Yours very sincerely,

J. Louis Neff
Executive Director

JLN:mr

February 3, 1949

Mr. J. Louis Neff
Executive Director
American Cancer Society

Dear Mr. Neff:

Thank you so much for your kind letter. I understand perfectly well why you could not get to the Kiwanis Club meeting and at the other meetings at which Doctor Richard Overholt talked.

He certainly gave us some very important things to think about. One of the things that I think we should do here in Houston is to instigate a mass x-ray survey of everyone so that we could pick up a lot of silent cancer of the lung as well as tuberculous and other lesions. This could be worked out in conjunction with the Anti-Tuberculosis League and I think that we should make this effort. A mass survey has already been made in many of the large cities, such as Minneapolis, as you know. The best time to get cancer of the lung as well as any cancer is while it is still in its silent stage.

With all good wishes

Yours sincerely,

John Roberts Phillips, M. D.

JRP:m

THE INTRODUCTION OF DOCTOR RICHARD OVERHOLT

What an impressive sight this is to see this block of nurses in uniform. We immediately think of great women in the Medical and Nursing Profession. The name of Florence Nightingale comes to our minds.

We are meeting together in this great University of Baylor and with its affiliate connections in Cancer Research, we think of another great woman, Madame Curie. Tonight, we are gathered to honor still another great woman, our own Doctor Elva A. Wright.

Several years ago Doctor Wright was invited to have a portrait made so that it could be hung in the Tuberculosis Hospital. She had been invited to do this on several occasions but never did get around to doing so, however this year, she did have a lovely portrait painted and we felt that it was fitting that in selecting this picture for the hospital that Doctor Wright is entitled to a Salute of Honor, consequently, this Program has been arranged for her. We are really the ones who are receiving the great benefit because, in addition, she is setting up a fund which is being given to the Texas Medical Center for the Post Graduate work in Tuberculosis, and in deciding upon a Guest Speaker for this occasion, naturally, we look to a man of national and international recognition, consequently, our Guest Speaker, Doctor Richard H. Overholt of Boston, Mass. was selected.

He has done much in the research field and has contributed much to Medical literature. His demands are many the more to them.

BB:mls

February 16, 1949

Mr. Murray Kornfield, Secretary
American College of Chest Physicians
500 N. Dearborn St.,
Chicago 10, Ill.

Dear Murray:

This is a little resume of Doctor Elva Wright's Salute of Honor which I know you will want to print in the Disease of the Chest as a news item.

On January 19, 1949, a Salute of Honor was given to Doctor Elva A. Wright. Doctor Wright has been actively engaged in tuberculosis work all of her life. She came to Houston in 1910 and early recognized that tuberculosis was being inadequately managed, consequently in 1911 she organized the Houston Anti-Tuberculosis League, and has been its President every since. She is a meritorious President of the Texas Tuberculosis Association.

Doctor Wright had been asked to give a picture to hang in the Tuberculosis Hospital and later it will be hung in the new tuberculosis hospital which will be built this year. The picture was received by Mayor Oscar F. Holcombe.

Doctor Wright has set up in her will a fund of \$5,000.00 to be used in post-graduate study in tuberculosis. The fund was received for the Texas Medical Center by Doctor E.W. Bertner.

The Guest Speaker for the evening was Doctor Richard R. Ooverholt of Boston, Mass., whose subject was "Surger's Place in the Treatment of Pulmonary Tuberculosis".

Doctor John Roberts Phillips and Doctor George E. Hodell were in charge of the arrangements. The meeting was held at the Baylor University School of Medicine Auditorium.

It certainly was nice to see you and Judy down in Mexico. We enjoyed it very much. We went over to Acapulca for a few days and had a lovely time there.

Dan joins me in sending all good wishes

Yours sincerely,

John Roberts Phillips, M.D.

Houston 2, Texas

Copy

Dear Doctor Phillips:

Thank you for your kind letter of December 29. Judy and I are very happy to know that you and Dan will be going to Mexico City and we are looking forward with pleasure to seeing you there.

I am also happy to know that Dr. Richard Overholt will deliver several lectures in Houston on January 18 and 19 and I regret that it will not be possible for me to accept your kind invitation to be in Houston at the time of these meetings. I have to fly direct to Mexico City from Chicago prior to the opening of the Congress in order to assist in the advance arrangements for some of the sessions. This, of course, makes it impossible for me to be in Houston on the dates mentioned in your letter.

This morning we received a copy of the program for the meeting of the Texas Chapter of the College from Dr. Koerth and I note with pleasure that you are scheduled to present a paper on the program entitled "Carcinoma of the Lung in Children and Young Adults". I am sure that this is going to be an interesting meeting and it is quite possible that I will be able to attend and at that time meet all of my good friends in the great state of Texas.

Judy joins me in sending you, Dan and the children our very best wishes for the New Year and we are of course looking forward with a great deal of pleasure to seeing you in Mexico City.

Sincerely yours

Murray Kornfeld
Executive Secretary
